Total Hours Analysed	Average Traffic Volume	Highest Traffic Weather	Lowest Traffic Weather	Weather Traffic Gap	Average Temperature (C)

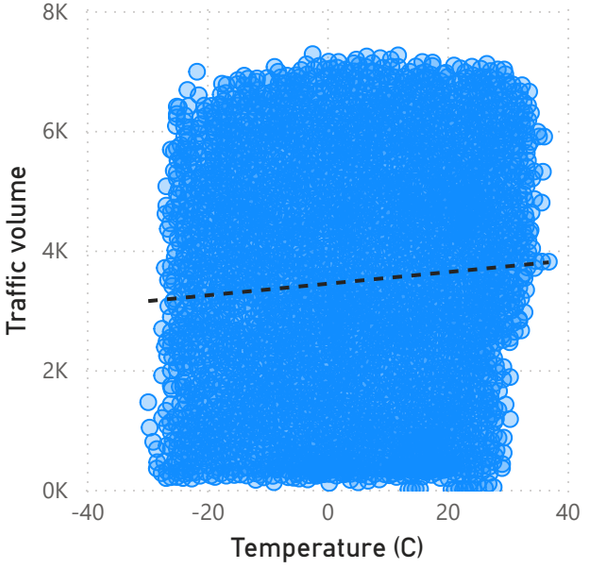

Average Traffic by Hour of Day, 2017

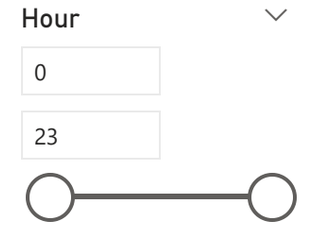

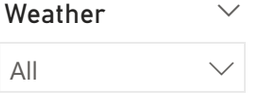

Average Traffic by Weather Condition

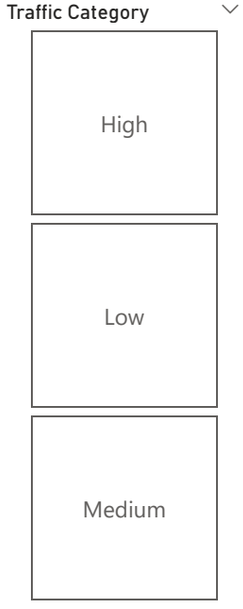

Temperature vs Traffic Volume

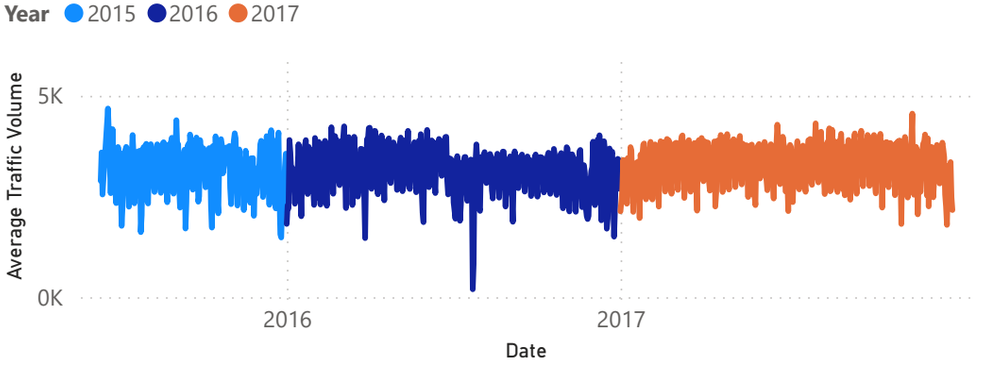

Daily Average Traffic, 2015–2017

Key insights:
Congestion peaks on weekdays at 07:00 and 16:00. Weather and temperature have only a small effect on traffic. Weekends are rarely congested.
